In reference to your communication dated 6/29/2005 received today in my office in Owerri, Nigeria. I want to elect for examination Page 2 paragraph 2, Option II Claims 9-13, drawn to a method and system for controlling infectious diseases as set forth in independent claim 9, classified in class 424, subclass 9.1+. Hydrophobic/hydrophilic active ingredients such as those in claims 10, 11, 12, 13 are selected. Targeted tissue cells as set forth in claim 9 (h) and 12. The control of infectious diseases as set forth in claims 10-13. Tissue specific peptide, natural protein channels and tissue specific membrane proteins as implied in claim 12. Specific drug of interest as set forth in claims 10, 11, and 13.

I thank you in anticipation.

Yours truly,

**Dr Philip C. Njemanze****BEST AVAILABLE COPY**
